EMS

ONE MISSION. ONE TEAM.

Dryden EMS is pleased to offer the following courses for our area agencies and EMS professionals. Our class sizes will be small to help promote a pleasant learning experience and hands on training. Cost is \$150 per two day class, and \$75 for the ACLS for BLS provider course, which includes lunch.

Classes offer CME credit hours for NYS Recertification needs. Space is limited so please email the training center to apply at training@dryden.org.

Advanced Medical Life Support (AMLS): Advanced Medical Life Support (AMLS) is the gold standard of education for emergency medical assessment and treatment. **2/1/18 & 2/2/18**

Top Gun Airway Class: In depth class on advanced airway management, RSI and Ventilator management, that will incorporate cutting edge airway equipment and training. **5/2/18 & 5/9/18**

Prehospital Trauma Life Support (PHTLS): The mission of PHTLS is to promote excellence in trauma patient management by all providers involved in the delivery of prehospital care. **8/9/18 & 8/10/18**

Emergency Pediatric Care (EPC): focuses on critical pediatric physiology, illnesses, injuries and interventions to help EMS practitioners provide the best treatment for sick and injured children in the field. **10/16/18 & 10/17/18**

ACLS for the BLS Provider: In depth class for EMT's in assisting the ALS provider on cardiac emergencies. **11/14/18**
