Stabilization University - NJ

Learn the latest in vehicle stabilization and lifting with our patented techniques! Stabilization University is your ticket to staying knowledgeable of your Res-Q-Jack tools and keeping up-to-date on our latest techniques.

Each Stabilization University starts with a short brief on our lifting theory, then moves outside to tackle realistic hands-on scenarios. Instructed by Res-Q-Jack professionals, each Stabilization University will teach you basic to advanced techniques to ensure you get the most from your equipment.

Lunch and Event T-Shirt included
