

The Westchester County
Department of Emergency Services

TRAINING ANNOUNCEMENT

Issued: February 9, 2018

Announcement #: 18-51E

Fundamentals & Assessment of Trauma

It is vitally important that we provide care to our patients within the "Golden hour". Some trauma scenes can be chaotic, making it important for EMS providers to understand and recognize the signs and symptoms of a trauma patient, and the techniques needed to provide the appropriate care.

Join Tai Lee, EMT-P, in a facilitated discussion about various trauma scenarios. This class will also have hands on training related to trauma care. Extremity Trauma and the Trauma Assessment will be discussed and practiced.

Note There will be hands on practical exercises, including but not limited to sitting or lying on the floor. Please dress accordingly and appropriately.

This course may be applied toward Patient Assessment, Trauma, or Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.

Date(s) / Time(s): Friday, February 16, 2018 12:30-3:30pm

Targeted Audience: This class is geared towards EMS personnel but all first responders are welcome

Program Location: Westchester County Department of Emergency Services Training Center
4 Dana Road, Valhalla, NY 10595

Program Cost: None

Registration: *-Pre-registration is mandatory. **Walk-ins are not permitted. Class size is limited.***
