LFD is hosting a FREE National Weather Service Advanced Skywarn Storm Spotter Class on **Saturday April 14 from 4:00 PM to 6:00 PM** at the Fire hall on Mill Street.

In order to attend the advanced class you must have either attended a NWS basic Skywarn Storm Spotter class or you can view the 3 video clips on the National Weather Service's website at:

www.weather.gov/bgm/outreachskywarntraining

Scroll down the page $\frac{3}{4}$ of the way and click on "Part 1". The online video will load automatically and when Part 1 is done it will automatically go to Part 2, then Part 3. The total length of the 3 videos is approximately 30 minutes long.

Use the above NWS webpage link to register for the class you will be attending

Refreshments will be available

The NWS class is open to all Police/Fire/EMS Agencies and to the public
